(U) FREEDOM OF INFORMATION PRIVACY ACTS  
DOCUMENTS 2016

**Synopsis:** (U) Virtual Academy catalog information is being provided  
for "Social Media."

**Details:**

On 9/22/2016, Management and Program Analyst [REDACTED] Registrar's  
Office, Training Coordination and Support Unit, Training Division (TD),  
searched the Virtual Academy and located the following catalog  
information:

**Course Name:** Social Media v2

**Training Hours:** .5

**Course Description:**

This scenario-based course, version 2, introduces learners involved in  
investigations with some of the publicly available social media tools.  
Social media provides a substantial amount of valuable information. By  
applying the techniques and using the tools presented in this course,  
learners will gain another path of useful leads in an investigation.  
Key topics covered in this course include: using people searches,  
social media search engines, and a social networking site's search
